CCP22-9E

Overview

The 17" Professional 2 Frontload Laptop and Tablet Case is sleek and durable and made from weather-resistant material. The case features a dedicated and well-padded laptop compartment with a velcro strap to keep your laptop secure, plus a dedicated, well-padded pocket for a tablet or ipad. It has a moisture-absorbing, padded handle so it's comfortable to carry, and the zippered outer workstation compartment has ample room for your smartphone, pens, keys and business cards. Additionally, the back of the bag features a trolley handle pass-through making this case the perfect companion for business trips.
